Freund 00114000 All-Steel Claw Hammer

Leather Handle

OVERVIEW

The Freund 00114000 All-Steel Claw Hammer is designed for driving and removing nails in professional roofing, carpentry, and construction applications. Its all-steel construction, magnetic nail holder, and balanced head weight provide reliable striking and pulling performance. The genuine full-grain leather grip is shaped for comfort and can be retensioned using the adjustable steel end cap.

KEY FEATURES

- All-steel construction for durability and safety
- Genuine full-grain leather handle for a comfortable grip
- Magnetic nail holder for one-handed nail starting
- Adjustable steel end cap for retensioning leather discs
- Balanced weight distribution for strong striking and pulling power
- Twist-resistant leather grip that regulates moisture
