Bessey D15AL Sheet Metal Shape and Straight Cutting Snips

Compact left-cutting snips for continuous straight and curved cuts

OVERVIEW

The BESSEY D15AL shape and straight cutting snips are designed for accurate cutting in compact spaces. The small forged head offers excellent manoeuvrability for tight curves, and the compound-leverage mechanism helps reduce hand fatigue during continued use.

KEY FEATURES

- Left-cutting design for straight and curved cuts
- Compact forged cutting head for small radii
- Optimized blade geometry for precise cuts
- Compound leverage for reduced cutting effort
- ERGO soft-grip handles for comfortable use
- One-hand locking mechanism with opening limiter
