BESSEY D15A Mini Shape & Straight Cutting Snips

Compact right-cutting snips for straight cuts and tight curves

OVERVIEW

The BESSEY D15A mini shape and straight cutting snips deliver precise right-hand cuts in sheet metal. Their very small forged cutting head and optimized blade geometry allow long straight cuts, tight radii and detailed work in confined spaces, with compound leverage and ergonomic grips for reduced effort.

KEY FEATURES

- Compact forged cutting head for tight radii
- For continuous straight and curved cuts
- Compound leverage helps reduce hand effort
- Ergonomic handles with soft cushion inserts
- One-hand locking bar and opening limiter
- Right-cut version; D15AL is the left-cut model
