WUKO 1004878 Clinching Pliers 90° Bent

Manual sheet metal bending and forming pliers

OVERVIEW

The WUKO 1004878 Clinching Pliers feature 90-degree bent jaws for controlled hand forming, seaming and detail work in confined areas. Their bent profile helps access tight spaces and is useful for roofing, gutter and general sheet metal applications.

KEY FEATURES

- 90-degree bent jaws for detail forming
- 2.375 in jaw width
- 2.25 in insertion depth
- 9.875 in overall length
- Useful for crimping and tight access work
- Ideal for roofing, gutter and sheet metal work
