# WUKO 1005180 Large Seaming Pliers

Large straight sheet metal seaming and forming tool

## OVERVIEW

The WUKO 1005180 Large Seaming Pliers are a heavy-duty manual tool for bending and forming broad sheet metal seams. Their straight, wide jaws and long handles provide leverage and reach for roofing, flashing, mouldings, and architectural sheet metal fabrication.

## KEY FEATURES

- Wide 8 in straight jaws for uniform bending
- 6 7/8 in insertion depth for extended reach
- 22 in overall length provides leverage
- Durable carbon steel construction
- Box joint for stable tool operation
- Ideal for roofing and sheet metal fabrication
